STATEMENT OF COMMITMENT TO CHILD SAFETY

Abbotsford Primary School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing an environment where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from ethnically, culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, transgender and intersex (LGBTIQIA+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

Specific staff child safety responsibilities

Abbotsford Primary School has a nominated Child Safety Officer to support the principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the Child Safety Officer are outlined at [Guidance for child safety champions](#).

Our Principal and Child Safety Officer are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- The Principal and Child Safety Officer are responsible for monitoring the school's compliance with the *Child Safety and Wellbeing Policy*. Anyone in our school community should approach the Principal and Child Safety Officer if they have any concerns about the school's compliance with the *Child Safety and Wellbeing Policy*.
- The Principal is responsible for informing the school community about this policy, and making it publicly available.
- Other specific roles and responsibilities are named in other child safety policies and procedures, including the *Child Safety Code of Conduct*, *Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures*, and *Child Safety Risk Register*.

CHILD SAFETY CODE OF CONDUCT

Our *Child Safety Code of Conduct* sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The *Child Safety Code of Conduct* also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our *Child Safety Risk Register* is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the *Child Safety Risk Register* at least annually.

Abbotsford Primary School's approach to promoting child safety and managing risk in physical and online environments ensures we keep up to date with current online safety issues and expert information from specialist government and non-government bodies including the Office of the e-Safety Commissioner, and eSmart Schools. Staff work to inform students and their families about appropriate use of the school's technology, safety tools and

how to seek help and report concerns including cyberbullying and online grooming. We promote activities in the school community that connect schools and communities and raise awareness to prevent bullying and violence (e.g. National Day of Action against Bullying and Violence).

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Abbotsford Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- We begin assemblies, community events and meetings with an Acknowledgement of Country
- We build school-wide knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes through curriculum opportunities and national awareness opportunities such as Sorry Day, Reconciliation Week and NAIDOC week.
- We express zero tolerance of racism in your statement of commitment to child safety included in your Child Safety and Wellbeing Policy and other documents.
- We address racism from students, staff, volunteers or visitors directly e.g. by explaining that unfavourable conduct towards someone on the basis of their race or perceived race is unacceptable.
- We make sure racist speech or actions are always dealt with and the school culture works to prevent incidents from occurring.
- We put school leaders at the front of anti-racist action, discuss racism and work to address unconscious bias and racism in the school community.
- We encourage non-Aboriginal school leaders and teachers to commit to ways they can work as an effective ally to Aboriginal students, their families and communities.

STUDENT ENGAGEMENT

To support child safety and wellbeing at Abbotsford Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging. We do this through a Peer Mediation program during lunchtimes, whole school activity afternoons, a house point system and by implementing our whole school approach to *Respectful Relationships* and school values.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Abbotsford Primary School we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- actively seeking input from families and the community through school council, subcommittees of school council, student, staff, and parent meetings.
- all of our child safety policies and procedures will be available for students and parents through the school's website <https://www.abbotsfordps.vic.edu.au/>
- Newsletters and/or messages to families will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- PROTECT Child Safety posters will be displayed across the school

DIVERSITY AND EQUITY

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from ethnically, culturally and linguistically diverse backgrounds
- international students
- students with disabilities
- those unable to live at home or impacted by family violence
- children and young people who identify as LGBTIQIA+.

Our *Student Wellbeing and Engagement Policy* as well as our *Inclusion and Diversity Policy* provide more information about the measures we have in place to support diversity and equity.

CHILD SAFETY KNOWLEDGE, SKILLS AND AWARENESS

Ongoing training and education are essential to ensuring that staff understand their roles and responsibilities and develop their capacity to effectively address child safety and wellbeing matters.

In addition to the child safety and wellbeing induction, our staff will participate in a range of training and professional learning to equip them with the skills and knowledge necessary to maintain a child safe environment.

To ensure our school council is equipped with the knowledge required to make decisions in the best interests of student safety and wellbeing, and to identify and mitigate child safety and wellbeing risks in our school environment, the council is trained at least annually. Training includes guidance on:

- Abbotsford Primary School child safety and wellbeing policies, procedures, codes and practices

COMPLAINTS AND REPORTING PROCESSES

Abbotsford Primary School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's *Complaint Policy*.

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees) must follow our *Child Safety Responding and Reporting Obligations Policy and Procedures*. Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending

Our *Student Wellbeing and Engagement Policy* and *Bullying Prevention Policy* cover complaints and concerns relating to student physical violence or other harmful behaviours.
